T. WALKER LLC | Capabilities Statement

T. WALKER LLC
DIGITAL SOLUTIONS

UEI: VM7XKNMA6MW9 | CAGE: 14QQ4
SDVOSB/WOSB

Primary NAICS: **541512**
(Computer Facilities Mgmt Services)

IT Support + Web Platforms
Application support, content updates, end-user support coordination, documentation, and QA for government web platforms.

Content + Compliance Support
AFPIMS support, Section 508/accessibility-aware updates, site hygiene, reporting, and process/SOP creation.

Procurement Support
Micro-purchase friendly sourcing for IT peripherals/supplies through authorized distributors; quote support and fulfillment coordination.

Core Capabilites

- **AFPIMS / Web Content Support** – content updates, page maintenance, QA, site clean-up, workflows, and basic reporting.
- **Application / Platform Support** – user support coordination, troubleshooting triage, documentation, and release support.
- **Documentation + Training Aids** – SOPs, quick guides, job aids, and light training materials to support adoption.

Staff Augmentation (Partner-Led)

- Staffing fulfilled through vetted prime/sub partners; T. Walker LLC supports sourcing, screening coordination, onboarding support, and contract admin.

Differentiators

- SBA-Certified **WOSB** & **SDVOSB**
- DoD platform experience (AFPIMS); SharePoint familiarity (prior certification)
- Low-friction support model: clear documentation, fast turnaround, reliable comms
- Purchase-card friendly (if true): GPC accepted for micro-purchases

Value to Partners:

- Supports primes with documentation, platform support, and admin coordination.
- Staff augmentation available through vetted partner network (as needed).
